

VCIS DPS

RM6213 Agreement

Our Vehicle Charging Infrastructure Solutions agreement provides a variety of products and services relating to all aspects of vehicle charging infrastructure. This agreement includes;

- access to professional advice, consultancy and feasibility studies
- design, engineering and construction services to meet your requirements
- full range of charging hardware and accessories, its installation and ongoing maintenance
- back office support services to support operation, maintenance and optimisation of your infrastructure
- full end to end delivery services - for a fully managed solution.

The VCIS agreement can help you to find a supplier for your needs. The agreement is simple and flexible to use and designed to allow you to tailor a solution to meet your individual needs .

To support you putting a contract in place all you need to do is follow these easy steps:

- 1) Access as a buyer by registering on VCIS DPS via the following [link](#)**
- 2) Create your project supplier list using the DPS filter options:**
 - A. Funding option
 - B. Products, services and location

If you need any further support or assistance please contact us via info@crowcommercial.gov.uk
