SECTION VI: COMPLEMENTARY INFORMATION

VI.3) ADDITIONAL INFORMATION (IF APPLICABLE)

Additional information

Potential suppliers should note that, in accordance with the UK Government's policies on transparency, CCS published the Invitation to Tender (ITT) document and the text of the Framework Agreements awarded, with redactions at the discretion of CCS. The terms of the Framework Agreement also permits public sector contracting authority, awarded a contract under this Framework Agreement, to publish the text of that contract, subject to possible redactions at the discretion of the contracting authority. Further information on transparency can be found at: <http://ccs.cabinetoffice.gov.uk/about-government-procurement-service/transparency-and-accountability/transparency-procurement> If the Contracting Authority has entered into a Framework Agreement with the successful supplier, this does not mean that there is any guarantee of subsequent contracts being awarded. Expenditure, work or effort undertaken prior to contract award is accordingly a matter solely for the commercial judgement of successful suppliers. Those orders placed under this Framework Agreement will form a separate contract under the scope of this Framework between the supplier and the specific requesting other contracting body. The Contracting Authority and other contracting bodies utilising the Framework reserve the right to use any electronic portal during the life of the agreement. The duration referenced in Section II.1.4 is for the placing of orders.
