The Authority considers that the Transfer of Undertakings (Protection of Employment) Regulations 2006 ('TUPE') will apply for Lot 1 but will not apply for Lot 2. Cyber Essentials is mandatory for Central Government Contracts which involve handling personal information and providing certain ICT products and services.

The Government is taking steps to further reduce the levels of cyber security risk in its supply chain through the Cyber Essentials scheme. The scheme defines a set of controls which, when properly implemented, will provide organisations with basic protection from the most prevalent forms of threat coming from the internet. There are 2 levels of certification: Cyber Essentials and Cyber Essentials Plus.

To participate in this Procurement, Potential Providers must be able to demonstrate that you comply with the technical requirements prescribed by Cyber Essentials for Services under and in connection with this Procurement.

The Potential Provider may be awarded a place on the Framework Agreement but shall not enter into any Call Off Procedure and/or any Call Off Contracts with Contracting Authorities until they are able to demonstrate to the Authority that they meet the technical requirements prescribed by Cyber Essentials for Services under and in connection with this Procurement.
