The Panel will comprise of 2 tiers. Panel Customers will be required to use the services of Suppliers on Tier 1. Where Suppliers on Tier 1 are unable to accept Orders for services then Suppliers in Tier 2 will be used. This procurement relates to the legal services which are listed in Schedule 3 of the Public Contracts Regulations 2015 (PCR) 2015 as a specific service. This procurement is being conducted under the Light Tough Regime ('LTR') is therefore subject to limited regulation and will be conducted in accordance with regulations 74 to 76 PCR 2015.

The anticipated maximum number of Suppliers to be appointed to the Panel is eighteen (18), with twelve (12) Suppliers within Tier 1 and six (6) Suppliers within Tier 2.

The procurement will be conducted in three (3) stages which will be run consecutively. Full details are available in the Invitation to Tender ('the Invitation'). The Invitation can be accessed at: <https://gpsesourcing.cabinetoffice.gov.uk> using the instructions detailed in III.2.1)

An overview of the stages are as follows:

Stage 1 — Eligibility (Eligibility Questionnaire).

Potential Providers will be required to complete an Eligibility Questionnaire.

Information submitted in the Stage 1 Eligibility Questionnaire will be evaluated to assess eligibility, capability to pursue a professional activity, economic and financial standing, and capacity and experience in accordance with the Invitation.

Following the evaluation of Potential Providers' Stage 1 Eligibility Questionnaire Tender Submissions, for the purposes of determining which Potential Providers will be invited to Stage 2, the Authority will rank all Potential Providers from the highest Stage 1 Eligibility Score downwards as detailed in the Invitation.

A maximum of 50 Potential Providers will be invited to participate in Stage 2 of this Procurement. Where there are less than 50 Potential Providers assessed as eligible having satisfied the Stage 1 requirements less than 50 will proceed to Stage 2 — Suitability.

Where there are more than 50 Potential Providers assessed as eligible, Potential Providers ranked 1st to 50th will be invited via the e-Sourcing Suite to participate in Stage 2 — Suitability.

Where there are 2 or more Potential Providers who have tied scores and are placed in 50th position, the Authority will apply a tie breaker to determine which Potential Provider will proceed to Stage 2. The other Potential Provider will then be ranked 51st.

Stage 2 — Suitability (Suitability Questionnaire and Stage 2 Pricing):

Potential Providers will be required to complete a Suitability Questionnaire which includes the submission of two (2) case studies and a Stage 2 Pricing Matrix together forming the 'Stage 2 Tender Submission'.

The Authority will evaluate the Stage 2 Tender Submissions as set out in the Invitation.

Stage 2 evaluation will be based on quality and price. The Stage 2 Quality Evaluation is weighted as 70 %. The Stage 2 Price Evaluation is weighted as 30 %.

Following the evaluation of Potential Providers' Stage 2 Tender Submission for the purposes of determining the Potential Providers to be invited to Stage 3, the results of the Stage 2 Tender Submission will be ranked from the highest Stage 2 final score downwards.

A maximum of 24 Potential Providers will be invited to participate in Stage 3 of this Procurement.

Where there are 2 or more Potential Providers who have tied scores and are placed in 24th position, the Authority will apply a tie breaker to determine which Potential Provider will proceed to Stage 3. The other Potential Provider will be then be ranked 25th.

Stage 3 — Compatibility (Compatibility Meeting and Stage 3 Pricing):

Potential Providers will be required to attend a Stage 3 Compatibility Meeting and submit a Stage 3 Pricing Matrix.

The Authority will evaluate one (1) of the case studies submitted at Stage 2 during the Stage 3 Compatibility Meeting ('Stage 3 Quality Evaluation'). The Authority will evaluate the Stage 3 Pricing Matrix ('Stage 3 Price Evaluation') in accordance with the Invitation.

The Stage 3 Quality Evaluation is weighted as 70 %. The Stage 3 Price Evaluation is weighted as 30 %. Following the evaluation of Stage 3, for the purposes of determining the final decision to award all results will be ranked from the highest Stage 3 final score downwards.

Although this Procurement is being run under the Light Touch Regime, the Authority has chosen to observe a Standstill Period. Following a Standstill Period of ten (10) calendar days and subject to there being no substantive challenge to the Intention to Award, a Panel Agreement will be formally awarded, subject to contract, to:

Potential Providers ranked in 1st to 12th position a Tier 1 Panel Agreement; and

Potential Providers ranked in places 13th to 18th position a Tier 2 Panel Agreement.

Where there are 2 or more Potential Providers who have tied scores and are placed in the 12th position, the Authority will apply a tie breaker to determine which Potential Provider will be awarded a place on Tier 1. The other Potential Provider will then be ranked as 13th and awarded a place on Tier 2 of the Panel.

Where there are 2 or more Potential Providers who have tied scores and are placed in the 18th position, the Authority will apply a tie breaker to determine which Potential Provider will be awarded a place on Tier 2 of the Panel. The other Potential Provider will then be ranked in 19th position.

Cyber Essentials is mandatory for Central Government Contracts which involve handling personal information and providing certain ICT products and services. The Government is taking steps to further reduce the levels of cyber-security risk in its supply chain through the Cyber Essentials Plus scheme. The scheme defines a set of controls which, when properly implemented, will provide organisations with basic protection from the most prevalent forms of threat coming from the internet. There are two (2) levels of certification: Cyber Essentials and Cyber Essentials Plus. To participate in this Procurement, Potential Providers must be able to demonstrate that they comply with the technical requirements prescribed by Cyber Essentials Plus for services under and in connection with this Procurement. Potential Providers may be awarded a place on the Panel Agreement but shall not enter into any Call Off Procedure and/or any Legal Services Contract with Panel Customers until they are able to demonstrate to the Authority that they meet the technical requirements prescribed by Cyber Essentials Plus for services under and in connection with this Procurement.
The Authority reserves the right for the Authority and/or Panel Customers for an electronic auction to be held during the Legal Services Contract Stage among the Parties to the Panel Agreement(s). Electronic ordering and/or electronic invoicing and/or electronic payment may be used during the period of the Panel Agreement and throughout the lifespan of any Legal Services Contract.
Potential Providers should note that, in accordance with the UK Government's policies on transparency, the Authority intends to publish the procurement documentation and the text of any Panel Agreement awarded, subject to possible redactions at the discretion of the Authority. The terms of the proposed Panel Agreement will also permit a Panel Customer awarding a Legal Services Contract under this Panel Agreement, to publish the text of that contract, subject to possible redactions at the discretion of the Customer. Further information on transparency can be found at: <https://www.gov.uk/government/publications/procurement-and-contracting-transparency-requirements-guidance>

From 2.4.2014, the Government is introducing its new Government Security Classifications (GSC) classification scheme to replace the current Government Protective Marking Scheme (GPMS). A key aspect of this is the reduction in the number of security classifications used. All Potential Providers should make themselves aware of the changes as it may impact on this Requirement. The link below to the Gov.uk website provides information on the new GSC: <https://www.gov.uk/government/publications/government-security-classifications>

The Authority expressly reserves the right: (i) not to award any Panel Agreement as a result of the procurement process commenced by publication of this notice; and (ii) to make whatever changes it may see fit to the content and structure of the tendering competition; and in no circumstances will the Authority be liable for any costs incurred by the Potential Provider. If the Authority decides to enter into a Panel Agreement with the successful Supplier, this does not mean that there is any guarantee of subsequent Legal Services Contracts being awarded or that there is an exclusivity in any way in respect of the relevant services. Any expenditure, work or effort undertaken prior to contract award is accordingly a matter solely for the commercial judgement of Potential Providers. Any Orders placed under this Panel Agreement will form a separate Legal Services Contract under the scope of this Panel Agreement between the Supplier and the Customer. The Authority and Panel Customers utilising the Panel Agreement reserve the right to use any electronic portal during the life of the Panel Agreement.
