II.2.3) **Place of performance**

NUTS code: UK

II.2.4) **Description of the procurement:**

Crown Commercial Service (CCS), as the Contracting Authority, intends to put in place an agreement for Heat Networks and Electricity Generating assets. This will allow customers to commission, build, maintain, operate and upgrade their generating assets. Customers will also have access to gain share arrangements to assist with financing their projects.

The agreement will offer services that facilitate the commissioning and construction of new assets, upgrades or expansions of existing assets, and the ongoing maintenance and operation of generation assets.

CCS will be conducting market engagement with all interested parties. To register your interest in participating, please email generation@crowcommercial.gov.uk

The values provided in this notice are estimates for guidance purposes only and may be subject to change. The exact details of the contractual arrangements are to be determined.

Section IV: Procedure

IV.1) **Description**

IV.1.8) **Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

Section VI: Complementary information**VI.3) Additional information:**

From 2.4.2014 the Government is introducing its new Government Security Classifications (GSC) classification scheme to replace the current Government Protective Marking Scheme (GPMS). A key aspect of this is the reduction in the number of security classifications used. All potential suppliers should make themselves aware of the changes as it may impact on this Requirement. The link below to the Gov.uk website provides information on the new GSC:
